

January 5th 2008 Fly Tying at The Outhouse on Franklin Ave.

We had a good time at The OUT House today, we stayed busy swapping flies, learning new techniques & patterns, telling fish stories and making new friends. It was nice day outside today but a bit too windy to fly fish, so what better way to spend a January afternoon, it doesn't get much better.

The following folks joined or renewed their club membership at today's event.

Jim Bawcum- New Member

Lloyd Fason- Renewal

Micheal Beaty- Renewal

Once again, we had a nice response to the article in the Waco Tribune in today's paper, we had lots of people showed up as a result. .. Thanks Todd Nafe for this exposure.

Also be sure to stop by and see Pat, Allen and the good folks at The OUT House for all your fly tying needs, we appreciate the use of their store for our monthly fly tying event!!

Don't forget the club meeting next Tuesday, January 8th.
I hope to see you there.

Thanks,

Greg Sanders

VP Central Texas Flyrodders

www.centraltexasflyrodders.org for the latest events and fly fishing reports

Pedro talking to some prospective members about his saltwater fly collection

Dr. Ray performing a delicate surgery on a fly.

Coach, Ray Emerson, Jim Bawcum, and Michael Beaty at the table tying'm up.

Coach in action showing Billy Whitehead and Ted Dickie how he does it. It's nice to see Ted Dickie again!!

Lloyd Fason having a good time tying up the Mountain Fork Whistler (aka Bud's Brazos Bug)

Making new friends, sharing tips, telling fishing stories, it's what fly fisherman do best.

Pedro tying up some nice looking saltwater crab patterns.
